STATUS INQUIRY

Dear Commissioner:

On May 9, 2005, applicant filed an after-final amendment to place the above entitled application into condition for allowance.

This amendment is present in the PAIR system under image file wrapper, but not in the transaction history section.

On June 10, 2005, applicant filed a Notice of Appeal in order to maintain the pendency of the application until a Notice of Allowance and Issue Fee Due was entered by the USPTO.

Applicant would like to be advised of the status of the application.

Favorable action is solicited.

Respectfully submitted,

William Lightbody
